

Moreton Bay Regional Council - The Mill at Moreton Bay

ENE.HUB was awarded the first ever 'Infrastructure as a Service' contract by Moreton Bay Regional Council. Kicking off in late 2018, Stage 1 sees ENE.HUB planning, funding, delivering and maintaining a network of 52 SMART.NODEs™, 71 LITE.NODEs™ and 4 TOWER.NODEs™. The network will deliver a range of Smart City services to the new Smart Precinct known as 'The Mill'. The Mill is a major new development that will deliver residential, commercial, the new University of Sunshine Coast campus, recreational areas and more for the local community.
